Reduced subscription rates are payable for anyone whilst unemployed or in full time education. Copies of a UB40 or details of college/course attended should accompany this form.

An option is also available to join the Cerberus Mountaineering Group which is affiliated to the British Mountaineering Council. To climb in Fairy Cave Quarry at any time you must include this option. There is a further option to upgrade to full BMC membership at a very favourable discounted rate.

A large chunk of the subscription is to maintain the clubs civil liability insurance cover. This is calculated on a per member basis. If you belong to another club that provides cover under the same scheme, or has adequate alternative cover, you may be eligible for a discount on the subscription. Contact the Secretary to discuss this.

The membership years runs from October to September.

Provisional membership is available to individuals / guests wishing to attend club trips on a trial basis. Membership gives full civil liability insurance cover for caving activities and is valid for three months.
